## NOTICE

U.S. Army Dugway Proving Ground has completed the application requirements for renewal of the solid waste permit for the Class II English Village Landfill 3 miles west of English Village in Tooele County. The permit renewal application has been reviewed by the Division of Solid and Hazardous Waste and a draft permit has been issued by the Executive Secretary of the Utah Solid and Hazardous Waste Control Board. Class II landfills receive less than 20 tons per day of nonhazardous solid waste including municipal waste and construction/demolition waste. A ground water monitoring program and other facility controls are in place. The public comment period on the draft permit begins May 11 and will end June 9, 2004.

Copies of the application documents and the draft permit are available for public review during the comment period during normal business hours at the following location:

Division of Solid and Hazardous Waste  
Utah Department of Environmental Quality  
288 North 1460 West, 4th Floor  
Salt Lake City, Utah

Copies of the draft permit are also available at the Tooele County Health Department at 151 North Main Street in Tooele. They also can be viewed on the Internet at <http://www.hazardouswaste.utah.gov/hpc-1.htm>.

Written comments will be accepted if received by 5:00 PM on June 9, 2004 and should be submitted to:

Dennis R. Downs, Executive Director  
Utah Solid and Hazardous Waste Control Board  
Department of Environmental Quality  
P.O. Box 144880  
Salt Lake City, Utah 84114-4880

Comments can also be sent by electronic mail to: [swpublic@utah.gov](mailto:swpublic@utah.gov). Comments sent in electronic format should be identified by putting the following in the subject line: public comment on English Village Landfill. All documents included in comments should be submitted as ASCII (text) files.

For further information contact Ralph Bohn or Phil Burns of the Division of Solid and Hazardous Waste at (801) 538-6170 or TDD 536-4414.
